

An invitation to all members of the nursery industry

BioSecure HACCP Information Forum

Date	16 th March 2017
Time	10am - 2pm
Venue	Boomaroo Nurseries - 105 St. Andrews Drive Lara, VICTORIA 3212

Building on from NIASA, BioSecure HACCP is the dedicated on farm nursery industry biosecurity management program.

The BioSecure HACCP program is gaining headway as a tool for industry in demonstrating the management of their biosecurity obligations as well as gaining interstate market access.

This information forum is being held to inform growers of the opportunities that are available with the program and to assist those interested growers in taking the first steps to BioSecure HACCP Accreditation.

This information forum will cover:

- An introduction to the BioSecure HACCP program
- A walkthrough of the accreditation process
- Roles within the business
- Online training
- Entry Conditions Compliance Procedures
- The Audit Management System
- Market Access Opportunities
- Demonstration of compliance with biosecurity obligations

A BBQ Lunch will be provided at the venue.

Places at this information forum are limited, so if you want find out what BioSecure HACCP can do for your business, please complete the RSVP details below and email to biosecure@ngia.com.au by Sunday 12th March 2017 to secure your free place.
